The Lotus Milk Experience, \$321 for 120 minutes The Asian Spa at The Fullerton Hotel (Tel: 6877 8183)

Surrender to ultimate relaxation with this four-part body treatment. Your ticket to La La Land begins with a delicious body scrub, priming the skin to absorb the full benefits of the Biodrogra Honey Milk Wrap. Enveloping skin in a protein-rich milk and honey wrap, skin is softened and ready for the

hour-long massage containing exotic argan, jasmine and sesame oil blends. The experience concludes with a tranquil lotus milk bath, sourced from the Himalayas. The Unctuous bath wax is first applied—melting over the body for added hydration before dissolving into the sumptuously sensual bubble milk bath. You'll leave walking on air, we promise.
